TO: Parents/Guardians
FROM: Maplewood Career Center
SUBJECT: Sexual/RACIAL Harassment of Students by School Employees, Other Students,
or Third Parties

The Maplewood Career Center Board of Education recognizes that a student has the right to learn in an environment untainted by sexual, racial, or other forms of discrimination or harassment. Offensive conduct which has the purpose or effect of unreasonably interfering with learning performance or creating an intimidating, hostile, discriminatory, or offensive learning environment which disrupts the education process, and impedes the legitimate teaching concerns of the district is applicable to all students regardless to race, color, national origin, sex, disability, age or (local and/or any other characteristics), e.g., religion, socioeconomic status, sexual orientation, etc.

Sexual, racial, or other forms of discrimination/harassment by school employees, other students, and third parties are strictly forbidden and will not be tolerated by the Maplewood Career Center School district.

Therefore, if you feel your child is an alleged victim of an act of discrimination and /or harassment by a school employee, other student, or third party of the school district, you should call the district's title IX and Section 504 Compliance Coordinator, (alleged discrimination on the basis of disability.)

Title IX and Section 504 Coordinator: Mike Lenzo
Location: Maplewood Career Center
7075 State Route 88
Ravenna, OH 44266
330.296.2892 ext. 551003

Your child's incident will be handled with a sense of urgency. However, all students are expected to act responsibly, honestly, and with the utmost sincerity whenever they present charges of harassment and/or discrimination allegations against school employees, other students, and third parties, as false accusations can have serious effects on innocent individuals.

It is recommended that you attempt to solve the matter informally with the Supervisor/Director before filing a formal complaint with the Maplewood's compliance coordinator.

While a charge is under investigation, no information is to be released to anyone who is not involved with the investigation, except as required by law or is in the contact of a legal administrative proceeding. No one involved is to discuss the subject outside of the investigation.

The purpose of this provision is to:

- protect the confidentiality of the student who files a complaint;
- encourage the reporting of any incidents of sexual, racial, or other forms of harassment;
- protect the reputation of any party wrongfully charged with harassment

Investigation of a complaint will normally include conferring with the parties involved (if under 18 years of age, may include parents), and any named or apparent witnesses. All students and others involved are to be protected from coercion, intimidation, retaliation, or discrimination for filing a complaint or assisting in an investigation.

The district recognizes that determining whether a particular action or incident is harassment or, conversely, is reflective of an action without a discriminatory or intimidating intent or effect must be based on all of the facts in the matter. Given the nature of harassing behavior, the district recognizes that false accusations can have serious effects on innocent individuals. Therefore, all students are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges against school employees, other students, or third parties.
