Dear Parent or Guardian,

Your child's class will be working on construction projects both on and off Maplewood school property. Since your child is enrolled in the class we need to be sure of his/her medical coverage in the event of an injury.

If your present medical insurance does not cover this situation we highly suggest that school accident insurance be purchased through Maplewood.

Please detach the form below and return it to the instructor as soon as possible.

Thank you,

Craig Morgan
Career and Technical Director
